12 November, 2021

Dear sir/madam,

Exchange Programme on Wofoo 3A Project 2020 cum Launching Ceremony of Wofoo 3A Project 2022 on 10 December, 2021

I am writing to invite you to attend the Exchange Programme on Wofoo 3A Project 2020 cum Launching Ceremony of Wofoo 3A Project 2022 to be co-organised with the Family Council to be held online via Zoom on **10 December, 2021**. This is the sixth time that such activity is sponsored by the Family Council in support of this regional initiative. We are particularly honoured that the Wofoo 3A Project has received recognition from the United Nations, with the presence of its representatives at the Award Presentation Ceremonies in Seoul in 2016 and Hong Kong in 2018 as well as the Opening Ceremony of the Exchange Programme in Hong Kong in June 2017. It is most encouraging that the work of CIFA, including the 3A Project, has been uploaded onto the United Nations Portal and also featured in the reports by the Secretary General to the General Assembly.

The 3A Project was first launched by CIFA in 2010 and repeated every 2 years with the theme of “***Aspiration for Sustainability, Innovation & Applicability (ASIA)***”. It aims to give recognition to outstanding and innovative work for enhancing family well-being and to provide the platform for sharing of knowledge, experience and good practice among professionals.

The Exchange Programme cum Launching Ceremony on 10 December, 2021 (Friday) will be held from 9:30 am – 5:00 pm on Zoom. Simultaneous Interpretation in English/ Putonghua will be provided. It aims to provide the platform for sharing knowledge and wisdom practice on projects covering a wide variety of topics including 6 and 3 award winning projects in 2020 and 2018 respectively. This event will give an opportunity to report on progress of the projects and to explore the possibility of replication to benefit more families in Asian region, as well as to appeal for submission for the upcoming Wofoo 3A Project 2022.
